

EXPECT THE UNFORGETTABLE

Host an unforgettable major event at Nokia Arena

In the heart of Tampere, Nokia Arena offers the perfect setting for memorable concerts, sports events, corporate celebrations, and trade shows.

As a certified sustainable venue, Nokia Arena has received multiple international design awards. At its heart lies the Bowl, which hosts both ticketed large-scale events and private events for audiences ranging from 500 to 15,000.

To complement your main event, our additional event spaces include AURUM Lounge, Ballroom, Eventum event space, Ruby & Fellas at Arena, Sky Lounge, Stefan's at Arena grandstand restaurant, 53 skyboxes, and a lobby area for up to 1,000 guests – all providing world-class settings for events of any size.

Thanks to its central location, the arena is easily and sustainably accessible from all regions of Finland.

An Arena Full of Possibilities

Concerts

The Bowl at Nokia Arena offers a top-tier setting for large-scale concerts – from cutting-edge sound and visual technology to exceptional guest services. The arena has hosted top artists from both Finland and around the world.

Major Sports Events

Sports fans have enjoyed top-level events at Nokia Arena – from national competitions to world championship tournaments. The arena accommodates a wide range of sporting events on various surfaces, including ice, basketball court, or even a gymnastics floor – with quick transitions between setups.

Take a look at events hosted at Nokia Arena and pick up top tips!

Galas and Dinner Events

The arena floor provides a stunning setting for gala dinners, corporate anniversaries, or impressive kick-off events for 500–1,800 guests. The Bowl has hosted numerous unforgettable occasions with tailored programs and custom event styling. The upper stands can be covered with descending curtains to create an even more intimate atmosphere.

Corporate Events

Host an arena-scale trade show, seminar, or product launch in a modern environment. The arena floor can be transformed with versatile stage setups and exhibition areas, made especially impressive with customized hanging structures. The Bowl's seating areas can be easily adapted for seminars or other speaking events.
A true visual spectacle awaits: the massive media cube suspended from the ceiling, combined with the dynamic ribbon screens encircling the arena, creates a captivating, immersive atmosphere. Offer your guests something truly unique – turn a daytime business event into a vibrant evening celebration, all in the same space.

Skybox

AURUM Lounge

Versatile Event Spaces for Every Need

Nokia Arena offers event spaces of various sizes that serve either as supporting areas for major events – such as VIP lounges – or as independent venues for a wide range of corporate and private events.

AURUM Lounge

Aurum Lounge is a stylish premium lounge located on the 4th floor of Nokia Arena, featuring 138 premium seats with outstanding views straight into the heart of the action. This carefully designed premium concept combines comfort, exclusivity and first-class hospitality.

Aurum Lounge can be booked for private groups both during and outside scheduled major events. Individual seats for selected events can be booked through our ticketing partner, Lippu.fi.

138 people

Skyboxes

Nokia Arena's skyboxes take your event experience to the next level. Located on the 4th and 6th floors, the skyboxes offer the best views in the house – complete with catering and dedicated services for your group. With 53 skyboxes of various sizes, the arena provides an inspiring setting for everything from meetings to memorable shared moments.

10–250 people

RUBY & Fellas at Arena

Ruby & Fellas at Arena is a warm and modern pub-style restaurant where restaurant services are available throughout every moment of the event. Here, guests enjoy the event in a relaxed setting with personal service.

The inviting restaurant seats 101 guests and is complemented by premium seating just outside – each place offering excellent views of the arena. Ruby & Fellas at Arena can be booked for exclusive use when available. Individual seat reservations for selected events are available through our official ticketing partner, Lippu.fi.

Ballroom

Eventum

Sky Lounge

Stefan's at Arena

Ballroom

Located on the arena's deck level, the Ballroom brings a touch of glamour to any event. This elegant and versatile space is designed to complement large-scale events or to serve as a premium setting for smaller, stand-alone occasions.
The Ballroom easily transforms into a VIP area, seminar room, corporate event space, cocktail lounge, gala dinner venue, or a setting for smaller gatherings. With its private entrance, the space is also ideal for use as a showroom.

100–200 people

Sky Lounge

The stunning Sky Lounge on the arena's 6th floor offers a welcoming and stylish setting for meetings, celebrations, and corporate events.

120 people

Concourse

The arena's concourse adapts well to a wide range of uses, accommodating 500–1,300 guests – from cocktail receptions and product showcases to smaller-scale musical performances and speeches. It's also well-suited as a registration or welcome area, or as an additional space for post-event gatherings.

Please note that the concourse remains open to the public at all times, and access cannot be restricted for private events.

Eventum

Eventum is a vibrant gem within the arena – a striking event restaurant that adapts seamlessly to different occasions and themes. It provides a stylish setting for daytime and evening events, galas, corporate celebrations, and private functions.

350 seated / 550 standing (e.g. cocktail reception)

Stefan's at Arena

Stefan's at Arena is located at the south end of the 4th floor skybox level. During major events, Stefan's can either be open to the public or operate as a VIP restaurant offering high-quality dining. Guests also have access to full bar service. The restaurant seats approximately 200 guests.

Everything You Need for a Successful Event

At Nokia Arena, the smooth execution, safety, and catering of events are ensured in collaboration with our experienced partners. Seamless cooperation between all operators guarantees a successful event experience from start to finish.

Our catering partner, NoHo Partners Oyj, provides delicious offerings for all events at Nokia Arena. The restaurants and service points on the seating levels serve guests during concerts and sporting events. Our catering partner will plan and deliver food and services according to your wishes.
